

# CHEDDAR

## Sliced processed cheese

Processed Cheddar cheese in individually packed slices with its distinctive, intense and characteristic taste ensures unforgettable sensations even for the most sublime palates.

It gives the dishes exceptional, unusual taste values, being an ideal proposition for every occasion: quick snack, addition to burgers, toast or as a component of many baked dishes.

The practical packaging with the possibility of easy opening will work in all conditions, and the separate packaging of each slice is a guarantee of long-term freshness.

Offered in an economic portion, ideal especially for the HoReCa sector.
